

# This week in Grade 3

April 18<sup>th</sup> - April 21<sup>st</sup>

## Our words of the week:

1. except
2. just
3. confusion
4. hopeless
5. always

**Literacy:** This week we will introduce semi-colons, review 'i before e, except after c' and some students will complete a book talk on a book of their choice to the class.

**Writing:** We have set our writing goals and are working on including these in our daily writing. We are continuing our unit on letter writing and students will be writing for authentic reasons to different students/teachers throughout the school.

**Math:** We have completed our first 'Mad Math Minute'. These will be sent home in your child's show what you know. Please ensure your child is practicing their math facts at home. This will only help them to gain confidence. This week your child will be working on their 2 times tables.

Remember when making arrays and equal groups, that first number is your group number and the second number is how many objects.

Ex: 2 groups of 3 -  $2 \times 3 = 6$  -  $3 + 3 = 6$   

This week we will begin division. We will look at how the total can be divided into equal groups and shared to give us our division sentence.

Please make sure students are using IXL throughout the week to practice previous outcomes taught in class.

## Reminders:

- April 17<sup>th</sup> - No school - Easter Monday
- April 20<sup>th</sup> - Sock Hop \$2
- April 25<sup>th</sup> - Glee Club at music festival
- April 27<sup>th</sup> - Hot lunch orders due for May
- April 28<sup>th</sup> - No School PL Day for teachers
