

This week in Grade 3

February 27th - March 3rd

Our words of the week:

1. exciting
2. hole
3. whole
4. friendly
5. getting

Every Friday we will have a spelling test on these words. Please practice these words every night at home so your child knows how to **spell** them and **read** them in a “snap”.

Literacy: This week we will review pronouns, different fonts in writing, and showing possession in plural and singular nouns.

Writing: We beginning to write our literary essays this week. We still need to make sure we are including the traits of writing in our essays, as well as making sure we are grabbing our readers' attention.

Math: This week we will be learning how to subtract with borrowing and will continue to review addition with re-grouping. We are constantly reviewing front-end addition, using number lines and hundred charts as different strategies when adding or subtraction 2-digit numbers. We will be going into 3-digit numbers after March Break. Please make sure your child is practicing all ways taught in class throughout the week at home.

Homework will be coming home this week for practicing addition and subtraction with re-grouping and borrowing. Please make sure this is returned by **Friday, February 3rd**.

Please make sure students are using IXL throughout the week to practice previous outcomes taught in class.

Reminders:

- Mon. Feb. 27th - Crazy Hair Day
- Tues. Feb. 28th - Skating 9:00 - 9:45
