

# This week in Grade 3

May 28<sup>th</sup> - 1<sup>st</sup>

## Our words of the week:

We have completed all sight words for Grade 3. Please continue to practice all words at home as this will only help your child with confidence and fluency while reading and writing.

**Literacy:** This week we will continue learning about prefixes and suffixes. We will review the rule “i before e, except after c”, doubling final consonants as well as recognizing paragraphs and using them in our writing.

**Writing:** Students have created a web of memories from Grade 3 and have begun to organize their story ideas to begin creating their memoir books.

**Math:** We will begin one of our last units in math on measurement. Students will be learning how to read an analogue clock, calendars and will be measuring using cm and m.

## Reminders:

Mon. May 28<sup>th</sup> - Ducks Unlimited Field Trip

Tues. May 29<sup>th</sup> - 11:30 Dismissal

Fri. June 1<sup>st</sup> - Ducks Unlimited Rain Date
