

Meet the teacher!

Hello! My name is Ms. Abbott and I am thrilled to be teaching Grade 3 this year at Barkers Point Elementary! I am excited to be your teacher and am looking forward to a year of fun and learning. I cannot wait to learn all about you, but first let me tell you a little bit about me.

I was born and raised in Fredericton, NB and always knew I wanted to be a teacher. I went to the University of New Brunswick and got my Education Degree. I have taught Grades K-3 for the last 6 years and absolutely love third grade! I have lived in both Sweden and England. I live with my husband, Gord and our 2-year-old puppy, Rosie.

Some of the things we will cover this year in third grade are plants, magnets and our province, New Brunswick. We will use Daily 5 and CAFÉ during literacy and will learn about money, time and multiplication during math. I am looking forward to meeting you next week and beginning our year together!
