

This Week in Grade 3/4 - Feb. 6th - 10th

Words of the Week:

community, really, probably, very, usually

We will use the same words as last week where we only had three days. Please practice these each evening as we have a spelling test on them Friday. Students should be able to read and spell them in a snap!

Math:

We will be looking at adding and subtracting on a number line as a second strategy to use when using 2-digit numbers. A great website for practice is:

<http://www.ictgames.com/numberlineJumpMaker/>

Please make sure students are using IXL throughout the week to practice previous outcomes taught in class.

Literacy: This week we will be continuing to review adjectives, verbs, nouns and adverbs. We will be introducing pronouns as well as the endings -tion and -sion. We are also focusing on our fluency strategy, being able to read smoothly and easily.

Writing:

We will be finishing up our fictional writing pieces and a writing piece will be coming home in your child's SWYK duotang soon. Next we will begin writing letters as we are taking part in a "Great Canadian Mail Race." Ask your child for more details! ☺
