

This Week in Grade $\frac{3}{4}$ - Jan. 16th - 20th

Words of the Week:

can't, didn't, I'm, don't, into

We will use the same words as last week where we only had three days. Please practice these each evening as we have a spelling test on them this Friday. Students should be able to read and spell them in a snap!

Reading Log:

Please be sure your child is reading nightly. This month we will continue to work on summarizing and finding the main idea in fiction and non-fiction books. *Please sign the reading log in their home books by Thursday to let me know how often they practiced that week. Everyone should have a new log in their communication bags.*

Math:

We are off to a great start in our addition/subtraction unit. This week we are working on fact families and beginning to use different strategies to add 2-4 digit numbers.

Literacy:

This week we will continue to practice ure/ture word families, **adventure**. We will also work with words that have double letters. We are continuing to write fictional stories, ask your child about some of their ideas.

Health:

This month our focus is on personal habits that contribute to our overall health: hand washing, dental hygiene and germs!

Reminders

- Tuesday, January 17th - VReds presentation at school.
- Thursday, January 20th - Northside Hockey Night
- Thursday, January 26th - Hot lunch orders due for February
