

This Week in Grade 3/4

May 23rd – May 26th

Words of the Week:

employee
substitute
supervisor
reporter
treasure

We will have our spelling test on Friday. Practice these words a few minutes each night so students are able to spell and read them in a snap!

Math: We are beginning our unit on measurement this week. Students will be learning about the passage of time, calendars, centimeters, meters and mass.

We will continue to practice our math facts each day. We are now practicing all facts learned thus far! Continue to practice each night. We have used a lot of card games to practice our facts. Ask your child about playing one to practice!

Literacy: This week we will be using some of our literacy time to work on and practice our learning in depth projects. Please have your child complete the assignments sent home each evening so we can use them during class time.

Writing: We are continuing to work on our memoirs. We have organized our thoughts and are beginning to write our stories from grade 3 and 4. Ask your child what memories they are writing about!
