

This Week in Grade $\frac{3}{4}$ - April 11th-13th

Words of the Week:

Due to the short week this week, we will be reviewing previously taught words. Please continue to practice these words at home.

Math: We have completed our first week of multiplication and the students are really enjoying making groups with equal amounts as well as arrays to find their multiplication sentence and repeated addition sentence. Please use the green sheet sent home last Thursday to practice the math facts at home.

Remember when making arrays and equal groups, that the first number is your group number and the second number is how many objects in each group.

Ex: 2 groups of 3 ~ $2 \times 3 = 6$ ~ $3 + 3 = 6$  

Please make sure students are using IXL throughout the week to practice previous outcomes taught in class.

Literacy: This week we will introduce prepositions to students, review 'i before e, except after c' and complete a book talk on 3 different books from our school Book Fair to grow an excitement for reading.

Writing:

We have set our writing goals and are working on including these in our daily writing. We are beginning our unit on letter writing and students will be writing for authentic reasons to different students at different schools. We are participating in the "Great Canadian Mail Race," ask your child for more details!

Reminders:

- April 10th - No School - Student Led Conferences
- April 11th, 12th, and 13th - students can buy books from the book fair during noon hour.
- April 14th - No School - Good Friday
- April 17th - No school - Easter Monday
- April 20th - Sock Hop \$2

Homework: No homework this week ☺

Please contact me with any questions: Hilary.waterhouse@nbed.nb.ca or call the school: 453-5402
