

This Week in Grade 3/4 - March 27th – March 31th

Words of the Week:

independent, unhappiness, until, who, people

Please practice these each evening as we have a spelling test on them Friday. Students should be able to read and spell them in a snap!

Math:

We will continue to learn how to add and subtract 3 digit numbers using strategies taught in class. This week we will focus on traditional regrouping and borrowing strategies. Please practice adding and subtracting on an open number line, using base ten materials and front-end addition.

Literacy: This week we will work on word ending -ng, -nk, -ew, -le. We will continue to review regular and irregular verbs as well as how to include million dollar words in our writing.

Writing:

We are finishing our literary essays this week. Our good copies will be in our SWYK duo-tangs soon. We still need to make sure we are including the traits of writing in our literary essays, as well as making sure we are grabbing our reader's attention.

Social Studies:

We are working on projects for multicultural week, our focus is First Nations culture. I will be taking pictures and posting them on SeeSaw so you can see the finished projects by Friday

Reminders:

- Mar. 26th - 31st - Multicultural Week
- Tue. Mar. 28th - Hot Lunch Orders due for April
- Parent Teacher Forms coming home Tuesday-please fill in your time and return for Friday.
- Apr. 3rd- Report Cards

Please contact me with any questions: Hilary.waterhouse@nbed.nb.ca or call the school: 453-5402

Homework: Students will use the 3 digit math sheet to practice addition/subtraction. This sheet will be due Thursday. They can use whichever strategy they prefer.
