

## **This Week in Grade $\frac{3}{4}$ - Nov. 7-Nov. 10**

Words of the Week:

are, first, there, knew, what

Please practice these each evening as we have a spelling test on them this Thursday as there is no school Friday. Students should be able to read and spell them in a snap.

**Reading Log:**

Please be sure your child is reading nightly. After reading, check your child's comprehension and ask them to tell you what the book was about. *Please sign the reading log in their home books by Thursday to let me know how often they practiced that week.*

**Math:**

We are continuing to learn about place value and will learn a new game to help us understand place value more. Please have your child work on the IXL website for extra math practice. Please see Flex math post to see what your child is up to in Flexible Math.

**Writing:**

This month we will also focus on including dialogue in our "Small Moment Stories" using quotation marks and punctuation properly. We are finishing up our new independent pieces that will be marked and sent in your child's SWYK folder soon. Ask your child what their writing goal is for their next piece of writing.

**Social Studies:**

We will work on being able to describe the major physical features, climates and vegetation of their province and the Atlantic region.

**Reminders:**

- Thursday, Nov. 10<sup>th</sup> - Remembrance Day Ceremony at 11:00. If your child is part of brownies, cubs or cadets, feel free to have them wear their uniform.
