

This Week in Grade 3/4 - Nov. 28 - Dec. 2

Words of the Week:

before, through, threw, one, won

Please practice these each evening as we have a spelling test on them this Thursday. Students should be able to read and spell them in a snap.

Reading Log:

Please be sure your child is reading nightly. After reading, check your child's comprehension and ask them to tell you what the book was about. *Please sign the reading log in their home books by Thursday to let me know how often they practiced that week.*

Math:

Ms. Hawkes will be working with us until Christmas in Math. We are continuing with estimation and rounding this week. Please have your child work on the IXL website for extra math practice—search estimation to find related questions on IXL.

Literacy:

This week we will be reviewing silent letters within words like gh (through), l (walk), w (write), t (listen). We will also continue to look at adjectives and how we can use them in our writing.

Social Studies:

We are continuing to work on being able to describe the major physical features, climates and vegetation of our province and the Atlantic region. This week our focus is reading maps.
