

This Week in Grade Five!
April 3-7

Here is a look at what is going on in our classroom this week:

Important Dates/ Reminders:

*Monday, April 3 ~ Report Cards go home. Please look them over with your child, sign and return. Please return the brown envelope as I reuse them for the Report Card at the end of the year.

*Book orders are due back on Thursday, April 13th.

Our learning goals:

- Literacy: Our words of the week are: outside, swimming, went, thought, discourage
 - Our spelling test on the above words is on Friday
 - Our spelling menu has many useful ways for students to practice their words of the week.
 - This week we are working "filling in the holes" in our stories. Be sure to ask your child about this writing strategy.

- Français: This week we will be creating graphs of the different pastimes and sports that are played in our classroom. Students will be comparing their pastimes and sports to each other.

- Math: Our goal this week is to create different rectangles with the same area and others that have the same perimeter.

- Social Studies: Our goal this week is to develop an understanding of how we learn about the past.

Homework:

Below is a schedule for nightly homework. If you would rather complete all of your homework in one or two nights, that is wonderful. However, if you are finding it a lot to do in one or two nights, here is a way to break it down.

Monday	Tuesday	Wednesday	Thursday
*Read (20 minutes)	*Read (20 minutes)	*Read (20 minutes)	*Read (15 minutes)
			*Practice sight words (quiz tomorrow)

Have a great week everyone!

~ Mme Green (kayla.green@nbed.nb.ca)
