

## Project #1: Researching a Province or Territory

	<b>4: Beyond Meeting Expectations</b>	<b>3: Meeting All Expectations</b>	<b>2: Not Yet Meeting Expectations</b>	<b>1: Below Expectations</b>
<b>Organization</b>	My project's information is organized in a way that makes sense, is well labelled, and unique. This project is not only easy to understand, but also engages the viewers.	My project's information is organized in a way that makes sense and is well labelled. This project is easy for my viewers to understand.	My project's information is mostly organized in a way that makes sense, and includes some labels. Some information may seem out of place, which could confuse my viewers.	My project's information is not organized or is not labelled clearly. My information is difficult to follow, making my project hard to understand.
<b>Design</b>	My project is clean, is easy to read, and is engaging to the audience in a unique way. I have used colour, photos, fonts, and other creative elements to make my project look great! I have clearly put in extra effort to make this project superb.	My project is clean, and is easy to read. I have used colour, photos, fonts, and other creative elements to make my project look great!	My project looks a little messy. I have used some creative elements in my project, but they might not be fully relevant.	My project is difficult to understand because it is not designed well. The photos or other creative elements included are irrelevant and distracting.
<b>Research</b>	All the information included in my project is relevant and found from reliable sources. I have answered all the provided questions, and went beyond to become an expert on my topic!	All the information included in my project is relevant and found from reliable sources. I have answered all the provided questions.	Most of the information included in my project is relevant and found from reliable sources. I have answered nearly all the provided questions.	I have not answered the provided questions, have not used the provided sources, and have mostly irrelevant information.
<b>Presentation</b>	My presentation was well practiced, and I did not have to look at my notes often. I spoke with a teacher voice, and looked at my audience while presenting. I could explain my answers to all the necessary questions, as others asked by my classmates and teacher.	My presentation was practiced, and I did not have to read word-for-word from my notes. I spoke with a teacher voice, and looked at my audience while presenting. I could explain my answers to all the necessary questions.	My presentation was not well practiced, and I read word-for-word from my notes. I may have spoke quietly, making it hard to engage with my presentation. I could explain my answers to some of the necessary questions.	I could not answer the questions for my project, or did not present to my teacher.
