17. On a separate sheet of paper, write a prediction of what you think is going to happen next, or how you think this movie is going to end. Be sure to use details from the parts of the movie that you have seen to support your response/prediction. Tie up any loose ends, or answer any questions you may have in your prediction.

Your prediction should be one page in length.

Use the following graphic organizer to help you organize your thoughts and write a logical prediction. (This graphic organizer is also part of your grade!)
