

W. R MACKINNON LTD. SCHOLARSHIP

W. R. MacKinnon Ltd., on behalf of the William R. MacKinnon family of Doaktown, N.B. has established in 1995, a scholarship to be awarded to full time students attending either Mount Allison University or the University of New Brunswick, with preference being given to Mount Allison.

Eligibility

Applicants must:

- Attend Doaktown Consolidated High School or its successor and reside within its boundaries, as they existed on September 1, 1995*.
- Achieve an average of at least eighty percent on the sixteen college preparatory courses achieved in Grades 11 (11 credits) and the first semester of grade 12 (5 credits). Midterm marks for second semester of grade 12 may be considered when necessary.
- Write a 500-word typed essay explaining their academic achievements, school and community involvement, educational plans and financial need.
- Have been accepted at Mount Allison University or the University of New Brunswick.

Funding

- An amount of \$2000.00 will be awarded and renewed for an additional three years if a minimum of a B average is maintained each year.
- Payment will be made directly to the university to be applied against the student's tuition fees.
- Half of the awarded amount will be issued at the beginning of each term upon submission of confirmation of the students' full-time enrollment to the appropriate School Board Office (currently District 18). Full time is defined as taking a minimum of five courses each term.
- Payment of the second installment is dependent upon the student attaining a minimum of a C average on first term courses.
- Confirmation of the academic standing of the student must be obtained by the School Board Office from the appropriate University Registrar at the end of each term.
- Should extenuating circumstances interrupt the student's academic career, requalification may occur at the discretion of the Selection Committee.

Submission Date

Applications for the scholarship must be submitted to the Principal by May 22, 2020. Selection will be made in May and the successful candidate then will be notified.

*The boundaries encompass an area beginning at the Sutter Road in New Bandon on route #8 and the boundary between Carroll's Crossing and McNamee on that road and extend east to the division between Blissfield and Upper Blackville on Route #8. The communities of Doaktown, Weaver's Siding, Hazelton, Storeytown, Big Hole Brook, South Road, Grand Lake Road to the end of settlement, and Bettsburg (Grand Lake Road end) are included.

MACKINNON FAMILY SCHOLARSHIP

The William R. MacKinnon family of Doaktown, N.B. has established in 2001, a scholarship to be awarded to full time students attending either Mount Allison University or the University of New Brunswick, with preference being given to Mount Allison. This award is in addition to the W.R. MacKinnon Ltd. Scholarship instituted in 1995.

Eligibility

Applicants must:

- Attend Doaktown Consolidated High School or its successor and reside within its boundaries, as they existed on September 1, 1995*.
- Achieve an average of at least eighty percent on the sixteen college preparatory courses achieved in Grades 11 (16 credits) and the first semester of grade 12 (5 credits). Midterm marks for second semester of grade 12 may be considered when necessary.
- Write a 500-word typed essay explaining their academic achievements, school and community involvement, educational plans and financial need.
- Have been accepted at Mount Allison University or the University of New Brunswick.

Funding

- An amount of \$1000.00 will be awarded and renewed for an additional three years if a minimum of a B average is maintained each year.
- Payment will be made directly to the university to be applied against the student's tuition fees.
- Half of the awarded amount will be issued at the beginning of each term upon submission of confirmation of the students' full-time enrollment to the appropriate School Board Office (currently District 18). Full time is defined as taking a minimum of five courses each term.
- Payment of the second installment is dependent upon the student attaining a minimum of a C average on first term courses.
- Confirmation of the academic standing of the student must be obtained by the School Board Office from the appropriate University Registrar at the end of each term.
- Should extenuating circumstances interrupt the student's academic career, requalification may occur at the discretion of the Selection Committee.
