

## **Live Different School Assembly**

### **KINDNESS CHANGES EVERYTHING**

Central New Brunswick Academy is hosting a **LIVE DIFFERENT** Presentation for students in grades 6 to 12 on Wednesday, **September 26, 2018, at 11:00 a.m. in the gymnasium.**

This year, the theme of the presentation is all about the incredible impact of kindness and helping students to recognize just how important of a role it plays in each of our lives. From what it does for each of us individually, to its impact on our schools and communities, and even on a global level, kindness has a unique opportunity to see significant change.

This presentation is much more than just a screen or a speech, the message actually gets through to the audience because it is presented in way that is *relevant* to this generation:

- **live (loud) professional musician**
- **real people sharing their personal stories**
- **light show**
- **multi-media**
- **comedy and crowd interaction**

If you would like to gather more information about this presentation, go to the website at <http://livedifferent.com/motivational-presentations/>

**The musical entertainment will be provided by Andrew Muise, a solo artist from Nova Scotia. The musician will have some promotional items for sale so students may want to bring some money in case they decide to purchase items.**

For parents of students in grades 9 to 12, if you choose to not have your child attend this presentation please let his/her homeroom teachers know on Tuesday, September 25, 2018.

**For parents of students in grades 6 to 8, please complete the permission slip attached and return it to your child's homeroom teacher by Wednesday, September 26, 2018.**

**If student fee is paid, there is no charge for this performance. It will be a \$2.00 cost if student fee is outstanding (which will be deducted from student fee upon payment).**

Thank you for your support in providing positive messages to our youth. Please join us if you can!

Barbara A. Long, Principal of Central New Brunswick Academy

**Live Different Assembly**
