## CNBA Breakfast Program

CNBA continues to provide a breakfast program again this year. This is made possible by the support of PC Children’s Charity School Nutrition Grant and community donations. We would like to thank the following individuals for their donation: Olga Ross; Claudette Carson, and Paula Munn.

Also, the breakfast program would not be able to run without the staff so generously donating their time. A big thank you to all volunteers who help in making this program a success.
