---

Students at Andover Elementary have their school supplies purchased for them by their teachers. The fee is \$50 for the full school year. In addition to this we ask that each child have a pair of inside shoes worn for Physical education and all inside activities, a lunch box and a bookbag (large enough to carry books that are 8.5 x 11.0 in size), and 2 boxes of kleenex. Some of the younger grades are also asked for some zip lock baggies.
