

# Mrs. Coulombe's Class June Final Newsletter for the year!

## Upcoming Events

WOW! It's getting busy at FHES

- June 5<sup>th</sup>- Grade 2 Orientation at Liverpool St. School
  - June 7<sup>th</sup> Forest Hill School Field Day
  - June 8<sup>th</sup> Field Trip to Scott's Nursery
  - June 14<sup>th</sup> Spring concert/Picnic
  - June 15<sup>th</sup> Grade 1 Field Trip- Wilmot Park Splash Pad!
- The last day for students is Friday, June 23<sup>rd</sup>. This will be a  $\frac{1}{2}$  day for students.

Please remember to wear a hat and apply sunscreen at home each day. We are outside for recess in the morning and at lunchtime.

- Please note that students are not to apply sunscreen at school.

I have had a fantastic year with your children. This group has been an incredible classroom community. Thank you for all of the support this year. Have a wonderful summer!

## What We will Learn this Week

**Literacy-** We are doing a lot of end of the year assessments over the next three weeks. Final instructional reading levels, and writing assessments, to be passed on to the grade two teachers.

**Writing:** This week we will begin a grade 1 riddle book. During the year we had a riddle each day as part of our morning message. This was a hit so we're going to make a special book to remember our favourites.

**Math-** As with literacy, this is assessment time. We will also be reviewing strategies for addition and subtraction to 20 and doing Math 3 games and activities to practice our skills.

**You and Your World** - Sun safety and bicycle safety will be discussed over the next few days. We will also do a mini unit on insects.

## Homework

For the month of June I have designed a fun homework activity. It is called homework Bingo and the children choose an activity to do each night. Once they have completed four activities they can show me to receive a flicker award. Please color each group of four with a different color crayon. ☺
