

# Weekly News

Mrs. Coulombe's Class

Nov.28<sup>th</sup>-Dec. 2nd

## Classroom News

Thanks to all of you who were able to come and talk to me about your child's progress. If you have any more questions or concerns, please feel free to email me.

This Friday we will have an assembly for Ring A Bell for Mental Health.

Check out our class Blog on the school website.

December Book order forms are going home today and are due on Thursday of this week. If you are ordering gifts please let me know and I'll contact you when the books

## Homework

In math we are now working on starting at a number over 20, such as 32 and have kids count backwards and forwards to a stop number like 39, or back to 26. Practice orally at home and  
READ, READ, READ!

\*Please return the report card envelope in your child's communication folder.

## Weekly Learning Focus

**Literacy :**

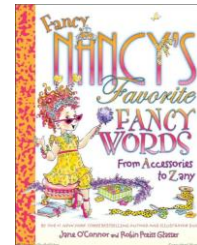

The sight words for the week are: **do us saw has day**

Discussing the sound of ay and ey

Reviewing the letters X and V.

We just started to work on the short oo sound as in look, and the long oo sound as in moo so will continue this week. This will continue again this week as they are hard sounds for some to learn.

**Writing-** Using Fancy words in our writing and incorporating quotation marks and speech bubbles in our writing pieces will be worked on this week.

**Math-** We will continue to revisit counting by 2's to 20, 10' to 100, but we will focus more on counting by 5's to 50 orally, but also putting objects in groups of five and counting them. The number strands we will work on this week, are N5- Compare sets to 20, using referents and one to one correspondence and N6 which is to estimate quantities up to 20 using referents. So for example you may show a group of 12 and say if this group has 12 how many do you think are in this group?
