Dear Parent/Legal Guardian,

The Under One Sky Friendship Centre in partnership with Dalhousie Medicine New Brunswick (DMNB) is pleased to offer the **Doctor for a Day at DMNB: Virtual March Break Workshops** from 1-5 March 2021.

This five-part series of online workshops will provide the opportunity for 10 interested students to explore the study of medicine through guest presentations, educational activities, and discussions with medical students and health professionals. Attendance and participation in all five workshops will culminate in a certificate for participants (and a prize draw)!

The schedule for the workshops is as follows:

Med School 101 | This day will present participants with the supports available to them if they are thinking about a future in medicine, featuring a presentation from Dalhousie's Faculty of Medicine Admissions and a chat with two DMNB students.

Tuesday, March 2
(12:00-12:45 PM)

Mock Multiple Mini Interviews (MMI) | This day will guide participants through a mock round of Multiple Mini Interviews (MMI), which is one of the key components of a successful application to Dalhousie's Faculty of Medicine.

Wednesday, March 3
(12:00-12:45 PM)

Exploring Traditional Medicine | This day will introduce participants to the University of New Brunswick's Elder-in-Residence, Ramona Nicholas, who will lead them through a workshop on traditional medicine practices.

Thursday, March 4
