## Assessment Week 2021 Notice for School Families

Below is the schedule for the upcoming Assessment Week happening January 21-29 at Fredericton High. There are a few items to note:

- Assessments/Proof of Skill projects are to be no more than an hour in length. Students have two hours to complete the assignment.
- For those subjects that will not have a final assessment, alternate learning opportunities will take place at the discretion of the subject teacher.
- Buses will run on their normal schedule.
- Students are to attend school on their normal A-B schedule and participate in all classes scheduled that day.
- **In the event of a school cancellation the sequence remains the same. The day will move ahead by one day.** i.e. If there is a storm on Tuesday, those students will attend on Wednesday. Those who were normally scheduled on Wednesday will move to Thursday.

The first block of the Assessment Week schedule is **Directed Study Block (DSB)**. For January 2021, DSB will serve as a dedicated timeframe during the assessment period where students can work to complete outstanding assessments and be provided with the opportunity to demonstrate mastery of course outcomes and/or skills – all ahead of completing the final summative course assessment. This will also be a dedicated time to prepare for upcoming summative course assessments. As this is occurring at the front end of the assessment period, everyone should have something they can work on during DSB.
