

Seminar Camp Opportunities Still Available

CISV educates and inspires action
for a more just and peaceful world

You're invited

There are still many opportunities to participate in a Seminar Camp this summer or even over the Christmas holidays.

Exchanging ideas; a powerful tool for global learning. This personally challenging, intensive programme is coordinated by the young participants themselves. They develop their own agenda and explore global issues based on their respective backgrounds and interests, through activities, in-depth discussions and social interaction.

Seminar Camp's group-living environment encourages them to collaborate and to take a creative approach to problem-solving and resolving differences that can arise from healthy discussion.

Individuals from ~ 18 different countries
