## TAKE OUR KIDS TO WORK DAY

Are you interested in owning your own business one day?

Join us (virtually) at Planet Hatch for Take Our Kids to Work Day to learn about the world of entrepreneurship and innovation!

We'll be hosting a fun-packed day of activities that will help spark an entrepreneurial mindset.

Meet some of our younger companies working in our entrepreneurship centre, and learn how you can get involved in Fredericton's entrepreneurial community!

Expect an afternoon of stories from local entrepreneurs, entrepreneurial games, and more!

**Hosted virtually via Zoom**  
**November 4th, 9:00 AM - 1:00 PM**

Register online at:  
<https://bit.ly/3khFxol>

# November 4th Options:

## Option #2. The Learning Partnership – Online Career Exploration

### Option #2 The Learning Partnership - Online Career Exploration

Morning

**Part A:** <https://www.thelearningpartnership.ca/take-our-kids-to-work/educator/resources>

*Watch Your Future, Now* - an inspiring, 20-minute pre-recorded event that is a great way to kick off the day! Hear from a range of workplaces and professionals who will share messages of hope and resilience and bring to life the real-world skills that have led to their success.

**Part B:** <https://www.16personalities.com/>

*Browse* Website and learn more about your personality traits and the careers that best fit with those traits. After taking the personality quiz, students are provided with a list of possible career options allowing students to learn more about themselves and their interests.

\*\*\*\*\* LUNCH BREAK\*\*\*\*\*

Afternoon

**Part C:** <https://www.nbjobs.ca/explore/cdtoolkit>

*Browse Career Development Toolkit*

This page contains a toolkit of career development resources that can be used by students during the career exploration process.

**Part D:** <https://www.thelearningpartnership.ca/take-our-kids-to-work/educator/resources>

*Watch Breakout Sessions (only offered Nov 4<sup>th</sup>)*

These 20-minute sessions, hosted by industry experts, provide employees, parents and students a chance to explore new or additional career options and topics of interest.

2:00 SKILLED TRADES

2:30 INNOVATION & ENTREPRENEURSHIP

3:00 HEALTHCARE

3:30 TECHNOLOGY & FINANCE
