UPDATES

Monday, September 21, 2020

COVID UPDATES

- Currently, the ISSC room is used as the holding place for those students showing signs of Covid. After putting this into practice for a few days, we see that this may not be the best placement. Starting tomorrow, Tuesday, students showing 2 or more symptoms of Covid are to go directly to the administrator's conference room. This is located directly beside Mrs. Underhill Tomilson's office. This is being updated in our Operational Plan.
- At first, microwaves were not part of our operational plan. They are now. We will have 2 microwaves available at the cafeteria.

STUDENT UPDATES

- Student laptops have arrived today. We are handing out 270 in total. It will take some time to get through. We are working through M-Z this afternoon. Thank you for our admin assistants who are orchestrating this for us! Please note: WE ARE NOT RESPONSIBLE FOR ANYTHING ASSOCIATED WITH STUDENT LAPTOPS. FHS handed them out but did not play any role in the sale. Any issues need to be addressed with the company that sold the computers- IMP Solutions. We still have about 30 computers to arrive in the days ahead. We will be calling students down with last names A-L tomorrow. Any students who missed picking up their laptops will be called the next contact day.
- There will be a Virtual Town Hall for all **Grade 9** students this Thursday, September 24st at 6:30. We will be reviewing a number of topics that relate to the introduction of high school. Normally we have a Grade 9 Parent Night, but this 45-minute presentation should be worthwhile. Please join by clicking on this link. <https://bit.ly/2HlwjsD>
- PICTURE DAY! Sept 22 and Sept 23. Smiles, Everyone!
