

Black F Honors Award Criteria

The criteria for receiving the Black F Honors Award has been adjusted for the graduating class of 2020 due to exceptional circumstances. Students who have an overall average of 85 or higher will receive the award. Graduates need not apply as the averages will be computer generated. Please note:

1. Only students enrolled in a full course load will be eligible.
2. The average will be based on final marks in grade 11 courses and semester one grade 12 courses (15 courses).
3. Only students who participated in all final examinations will be eligible.
4. Averages will NOT be rounded up (an average of 84.9 does not qualify)
