"Success, not without work"

Due to delays associated with construction work this summer, the start of classes at Fredericton High School have been delayed by at least one-day.

Students were originally scheduled to start returning to school on Tuesday, September 5. The new start dates are as follows:

- September 6 - Grade 9 and all newcomer students only
- September 7 - Grades 10 to 12 students
- September 8 - all grades

Fredericton High School uses a staggered start for Grade 9 students to help them transition to the school environment.

The delay in starting is needed to ensure the school is safe for students and staff. Teachers also need time to prepare their classrooms for the upcoming year.

The construction is part of the school's \$14.1 million capital improvement plan.
