PowerSchool Newsletter

September 8, 2020

Dear Parents & Guardians,

Soon the opportunity for parents and guardians to register for the PowerSchool Public Portal will be available! We are happy to have more parents gain access to their child's academic information as they journey through their education with Fredericton High School.

Once you have registered, you will gain access to the following details:

- Grades & Attendance
- Grade History
- Attendance History
- Email Notification Settings
- Schedule

Due to our new prescribed blended learning model we have decided to keep the portal closed until October 13th, but we will still provide you with a chance to register so you can create an account.

Currently public access to schools is limited, so we are working on a plan for parents to be able to register properly while respecting Public Health guidelines. More information will be forthcoming.

Please feel free to contact me if you have any questions about PowerSchool or the public portal site.
