

Good Evening Parents/Guardians,

This is Nathan Langille, Acting Principal of Fredericton High School and here are some information items:

1. A reminder to please use the appropriate school drop off/pick up zones at FHS.
2. Public Health nurses will be coming to your school on **Thursday December 6<sup>th</sup>, 2018** to offer all grade 9 students their meningitis and chicken pox vaccines. Your child should have received two information pamphlets. Please complete the consent form, and return it to your child's teacher. A signature is required for each vaccine on this form. This should be returned whether the student is being immunized or not.
  - If your child had chicken pox disease after he or she was 1 year of age and that was confirmed by a blood test, they do not require the chicken pox vaccine.
  - If your child has a problem with their immune system, you should contact Public Health prior to signing the consent at **506-453-5200**.
3. Please note that December 21<sup>st</sup> will be a full day for all students.

If you have any questions please call the school at 453-5435

Thank you and have a great weekend!
