

Good evening parents and guardians,

This is Shane Thomas (Principal of Fredericton High School) with 1 information item.

1. We are currently involved in our course selection for next year. This selection process occurs throughout the homeroom period however it appears a number of students are not participating in the selection process due to absenteeism. After next week the selections may only occur with a guidance counsellor. We use the student selection to design our timetable thus it is critical that students select their courses by the end of next week.

Thank you
