**Business Arising from the Minutes:**

**New Business:**

- DEC Rep, Mike Mazerolle report:
  - the work this year for DEC has been trying to learn more about the new governance model structure. 4 meetings so far with EECD re: governance model. For September 2022 – PSSC’s and DEC’s will likely be in place with business as usual. Not sure if there will be changes to the structure during the next year. Latest model proposed: cluster of schools will have 1-2 representatives as one large district entity for meeting. EECD and DEC’s will have ongoing meetings / conversations over the summer / fall.
  - DEC Concerns discussed for the schools we feed into: Devon Middle School (crowding issue and age of building), Leo Hayes (no Industrial Arts).
  - Proposed new school – Aiming for 2024 opening. Looking to break ground June 2022.
  
- Principal Report:
  - Cafeteria Service Provider has been secured for fall 2022. Jobs Unlimited will be the provider.
  - Meet & Greet Corn Boil – Scheduled for Thursday, September 1, 2022. Will send out a signup genius link for parents to sign up for helping out on the day of.
  - Kindergarten Orientation – May 25: Had a great turnout of students and parents.
  - Staffing – currently at 32 classrooms for 2022-2023.

- School Plan – working on updating our progress for 2021-2022, creation of 2022-2023 plan will occur in June and be ready to present to PSSC at our meeting in September.
- Parent feedback – change of the play: Aladdin. Parents would have appreciated a memo about the needed changes before the children so they could help their children understand the change and deal with the disappointment.
