 - Parents/caregivers who have questions can send them through voice mail message or through the school's email address. Those with additional concerns can ask to speak with an administrator.

Building Access

- **Screening at Home**

- Parents are asked to use the following checklist (as per the direction of EECD from the WorkSafe NB website) to screen their child(ren) for signs of Covid-19 prior to them leaving home in the morning.

NOTICE

Screening for COVID-19

PLEASE DO NOT ENTER THE BUILDING
WITHOUT ANSWERING THE FOLLOWING QUESTIONS

1. Do you have any of following symptoms:

| | |
|---|---|
| <ul style="list-style-type: none"> • Fever/feverish • Sore throat • Headache • Runny nose • New cough or worsening chronic cough | <ul style="list-style-type: none"> • New onset fatigue or muscle ache • Diarrhea • Loss of taste or smell • In children, purple markings on fingers or toes |
|---|---|

If you answered **YES, and have ONLY ONE symptom**, you may phone 811 to discuss COVID-19 testing, but you do not need to self-isolate. As a precaution, please self-monitor for onset of additional symptoms that may develop.

If you answered **YES, and have 2 OR MORE of the symptoms**, then self-isolate at home, and call 811.

2. If you answer **YES to ANY of the following below**, then you must stay home and self-isolate for 14 days.

- a) Have you had close contact within the last 14 days with a confirmed case of COVID-19?
- b) You have been diagnosed with COVID-19 within the past 14 days?
- c) Have you returned from travel outside of Newfoundland and Labrador, New Brunswick, Prince Edward Island and Nova Scotia within the last 14 days (IF for work purposes, you are not required to self-isolate upon return, but should self-monitor for symptoms)?
- d) Have you been told by Public Health that you may have been exposed to COVID-19

Follow Public Health advice if you are waiting for testing results for COVID-19 or have been told to self-isolate. If you develop symptoms, please refer to the self-assessment link on the Government of New Brunswick webpage.

- Should a child have 2 or more symptoms of COVID-19 they are required to stay home, and parents are asked to call 811 for further direction regarding testing.
- **First day of school for Kindergarten Students and New-to-GNMES Students**
 - **One parent/caregiver of these students only** will be permitted to enter the building through the main entrance or the Kindergarten entrance.
 - Parent/caregiver will be required to wear a mask while in the school

- Parent/caregiver of Kindergarten students will be asked to exit through the door on that wing.
- **After the first day of school**
 - Parents/caregivers will require a **scheduled appointment** to enter the school or prior approval by the administration
- **Meetings with School Personnel**
 - Parents/caregivers will communicate with school personnel by phone and/or by virtual means.
 - In person meetings will be by appointment only and masks will be required.
- **Picking Up Students**
 - Parents/caregivers are asked to **write a note** (email, text, E-message, or paper) to the homeroom teacher and/or call the office and indicate the following information:
 - **What time** the student will be picked up
 - **Who** will be picking up the student.
 - **Upon arrival at school to pick up students**
 - Parents/caregivers will be asked to call the main school line (453-5429) to indicate they have arrived.
 - Parents/caregivers without a cell phone will be asked to ring the doorbell.
 - The administrative assistant will ask who the parent/caregiver is picking up and will then notify the student's teacher to send them to the office.
 - The administrative assistant will walk the student to the main entrance and record who picked up the child and at what time the child left.
 - **Student arriving after the start of the day**
 - Students will be permitted into the building by the administrative assistant
 - The administrative assistant will record when the child arrived as well as the reason the child was late,
 - **Passive screening will be expected by all who enter the building**
 - The checklist provided previously is posted on the main entrance to the school and all who enter are required to review it before entering the school.
 - **Visitors who have permission to come to the school will be required to wear a mask.**
- **Music Class**
 - Students **will be required to wear a mask** during Music class unless medical documentation is provided to indicate otherwise.

Student arrival and dismissal procedures

- **Each student will be required to wear a mask during arrival and dismissal times.**
- **Once the students are in their classroom, they can remove their mask.**

Recess times

- Kindergarten to Grade 5 students will enter the school through the door nearest to their classroom.
- Belongings will be hung on their hooks and students will proceed directly into their classroom (monitored by the homeroom teachers to allow easy cleaning).
- Process will be reversed at the end of the day; students will collect belongings and proceed outside.
- Each classroom teacher will walk their classroom bubble out to the busses ensuring they keep 2 metres from the other bubbles.

Risk Assessment

- **Should a student show signs of illness:**
 - They will be given a mask to wear if they do not have one
 - They will sit at a cafeteria table where they will be supervised until they are picked up within an hour of call home being made
 - Parents will be requested to contact 811. If testing is not required students can return once fever (with no medication) and other symptoms have been resolved for 24 hours or if they have been directed to do so by a health care professional.
- **Transition Times**
 - Students will eat in their bubble (classroom)
 - On the playground, students will have specified areas to play with the students within their bubble.
 - There will be 3 recesses and 3 lunch times in order to provide adequate bubble space on the playground.
 - Students will be supervised when on the playground.

Cleaning and Disinfection Procedures

- **Hand sanitizer**
 - Teachers will teach and monitor appropriate hygiene after items are touched
 - Hand sanitizing stations will be provided in all classrooms
 - When items (i.e. games, math tools, etc.) are shared they will be sanitized by the teacher
 - ***“We will be using hand Sanitizer that is approved by Health Canada. For a list of approved hand sanitizers and disinfectants please refer to this list: <https://www.canada.ca/en/health-canada/services/drugs-health-products/disinfectants/covid-19/hand-sanitizer.html>”***
- **Washrooms**

- Numbers will be limited (no more than 2 if from a different classroom bubble) unless the whole bubble is taken to the washroom by the teacher
- **Schedule (after breaks)**
 - Custodians will clean all push bars, handrails, etc. Washrooms will be cleaned prior to and following morning recess and following noon recess and at the end of the day.

Personal Hygiene Etiquette

- Students are required to bring 2 clean masks with them each day to school
- Masks will be worn by all students and visitors if the 2 metre physical distance cannot be maintained outside of their bubble
- Classrooms will be equipped with Handwashing Posters and Hand Sanitizer Posters
- Teachers will teach, and monitor, good respiratory hygiene and cough etiquette to students

Outbreak Management

- In the event of an outbreak, the school will follow the direction of the Regional Public Health Office.

This Operational Plan is a living document that will have changes made as the year progresses and the current circumstances change.

We appreciate your support as we continue to embark on this journey together.
