A WINNER NEVER QUILTS, A QUITTER NEVER WINS!

Dear Parents

First, on behalf of all the students, staff and parents here at George Street Middle School, we would like to take this opportunity to welcome you to our school community. We are looking forward to meeting each of you at our Open House—on September 5th, 2017

The event is set to start at 6 pm in the gym. After a few brief introductions and information items, you will have an opportunity to sit in your child's homeroom seat and get a tour of the school. We do encourage you to bring your child with you. Everything will be done by 7 pm.

**AHHH! Summer!**

Even students need to vacation from the routine. However, it should only be for the first month of summer vacation.

Michael Gurian (www.ascd.org) suggests students must start their school routines several weeks before the first day of school. One advice is students should gradually go to bed earlier, and wake up earlier.
