

# GARDEN CREEK SCHOOL

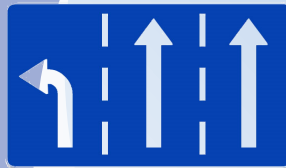

## TRAFFIC PATTERN CHANGES

# MORNING DROP OFF

To help ensure the safest arrival and departure environment possible for all of our students, **please comply with traffic patterns and posted signs.**

**Three lanes for traffic** have been created to enter the school parking lot.

**Left Lane:** STAFF PARKING  
and PARENT OVER-FLOW

**Middle Lane:** STUDENT DROP OFF/ KISS  
and RIDE area

**Right Lane:** BUSES ONLY

The staff parking and parent over-flow is for **PARKING ONLY** and not for drop off . It is a one way traffic flow via the main entrance.

## DROP OFF ONLY AREA

**PLEASE RESPECT NO PARKING IN THE DROP OFF ONLY AREAS THROUGHOUT THE DAY.** Students can also be dropped off at the top of the playground on the Golf Club Road.

## PARENT PARKING AREA

Spaces are available in front of the school by the cement barriers, accessible via the parent drop off lane.

**Additional Parking:** in STAFF PARKING area which **MUST** be accessed at the main entrance to the school. If you miss the entrance **PLEASE** drive back out and around.

**Handicapped parking** is located in the front parking area by the cement barrier.

→ **FOR THE SAFETY OF ALL CHILDREN, PLEASE REMEMBER:**

1. Keep the traffic flowing so that everyone in line has quick and easy access to these safe drop-off locations.
2. The staff parking lot is NOT a drop-off area. You must park your car in this area and walk your child to the safety of the playground or front door.
3. Park only in designated areas and adhere to all posted signs.
4. Provide this information to anyone who may drop-off or pick up your children.

# AFTER SCHOOL PICK UP

→ **Dismissal time parking is available:**

- At the parent parking area at the front of the school by the cement barriers.
- In the staff parking lot. via the main school entrance ONLY (off of the Golf Club Road).

Our school is a designated NO IDLING zone. Please turn off your engines.

**The first traffic lane is restricted for bus use only at dismissal time!**

**Please comply with posted**

**signs** and help us utilize our limited space wisely. To help alleviate traffic congestion please consider setting up a buddy system for walking or car pooling. Not only will this help alleviate some traffic congestion, it is better for both our children and the environment.

**Thank you for your cooperation!**
