

# "Trick or Eat" Halloween Food Challenge

## Creekers Helping our Community

Dear Creeker Families,

Greener Village is a non-profit, volunteer-based food bank that supports the needs of many families in the greater Fredericton area. Over the years we have developed an important relationship with Greener Village, and we continue to partner with them to help support those in need. **With the devastating impact COVID-19 has had on many families in our community, the need for support is greater than ever before.**

As we near the excitement of the Halloween season we would like to challenge our students and families to support this important community need. The **"Trick or Eat" Halloween Food Challenge** is a call to all Creeker families to donate non-perishable food items to our local food bank, Greener Village. A goal of **100** items has been established for each grade level and a successful campaign could mean over **600** nonperishable items being donated to families in our community.

The challenge will run from **Thursday, October 22<sup>nd</sup> – Thursday, October 29<sup>th</sup>**. Donations can be made daily to homeroom teachers throughout the challenge. To best target the current needs of Greener Village, grade levels are being asked to collect the food items outlined below:

### **KINDERGARTEN Pasta and Pasta Sauce**

- Dried pasta, canned pasta, Kraft Dinner (please no glass containers of pasta sauce)

### **GRADE 1 Canned and Dried Soup**

### **GRADE 2 Food Condiments**

- Ketchup, mustard, mayonnaise, sauces, jarred pickles, salt, pepper, assorted spices

### **GRADE 3 Stove Top Stuffing Mix and Canned Cranberry Sauce**

\* Items in high demand during the holiday season.

### **GRADE 4 Canned Meats and Fish**

- Chicken, ham, turkey, tuna, salmon

### **GRADE 5 Tea, Coffee, and Baking Goods**

- Instant and ground coffee (please no K-Cups)  
- Flour, baking powder, baking soda, and sugar

### **GCS STAFF Soap and Laundry Detergent**

We look forward to making this an important educational experience for all staff and students and we wish to thank you for your support. **Food donations will remain inside your child's "classroom bubble", so we are able to accept food donations in a safe manner while also respecting our school's COVID-19 operational plan.**

Thank you for your generous support. We look forward to another successful challenge!
