A WINNER NEVER QUILTS, A QUITTER NEVER WINS!

By the end of
Sept. 8th, you
should have:

Met all your
child's teachers.

Met the
administrative
team.

Read the agenda
with your child.

Completed and
returned all start
up forms sent
home in the
Communication
Folders.

You are cordially invited to our
Grade 7 Open House at George
Street Middle School Septem-
ber 8th from 6:00 to 6:45 pm,
starting in the Gym!

The focus of the evening will be to meet your child's grade 7 team and to see where the learning will take place—you will get to visit the grade 7 hallways after a brief information session.

Hope to see you there!

Prepared for Learning!

Help your middle grader stay organized. Suggest that he or she set aside one pocket of their backpack for supplies (pens, pencils, calculator). They could also keep a shoebox of extra supplies in their locker. Usually March

becomes the time of year where students begin to run out of paper. Check with your child to see if they still have enough.
