

September 6, 2016

Dear Parents/Guardians,

Welcome to the House of Saint John! We look forward to working with you and your child this upcoming school year. We are here to provide a positive learning environment in which your child will grow academically, socially, and emotionally.

We hope to meet all of you at our annual *Meet the Teacher* night on Tuesday September 13th in your son/daughter's LA classroom (306-308) on the third floor.

Here is the schedule of the evening:

- 5:45-6:00: self-directed tour of your child's classroom
- 6:00-6:30: team presentation
- 6:30-7:00: "Meet and Greet"

Over the course of our evening, we will formally introduce ourselves and provide you with information about the upcoming school year. Please try to come on that night; it's a very informative evening.

We consider you to be a part of **our team** and will strive to communicate closely with you throughout the year.

A list of school supplies was shared with you in June and it can be found on our school website.

We look forward to introducing ourselves and seeing you all at *Meet the Teacher*.

Sincerely,

Teachers of the House of Saint John
