

Apple Campaign

Why do we sell apples?

To raise \$ so we can get the 'stuff' students want.

This year we want to buy more iPads and equipment for the Games Room

Apple Campaign

September 24 - October 4

Collection Days: (bring in you sold tickets and \$)

Sept 27th (Monday) – First collection day

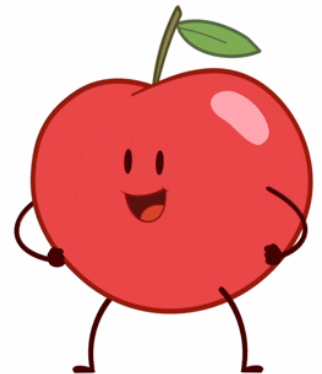

Sept 30th (Thursday) - Second collection day

Oct 4th (Monday) –Final collection day

** Unsold tickets must be returned to homeroom teachers

Online orders will be tracked at the school.

No need to bring in money and tickets if orders are placed online.

GSMS Apple Sales Fundraising Campaign - BAGS FOR DONATION (No pick up required) - 2021/2022 Amount Due:

Student Name (George Street Middle School)

Apples are \$6 per 3lb bag.
All funds raised from the sale of the apples will go toward initiatives that support students at George Street Middle School. This year we plan to extend our BYOD (Bring Your Own Device) program by upgrading our system and purchasing devices. This will allow us to better use technology to deliver curriculum and develop online learning skills. (If you or your company can support this endeavor by means of financial contribution or grant program, please contact the administration.) In previous years, we donated over \$1500 worth of apples and cash to our community partners. Our donation qualifies us to participate in the Community Kitchen Student Hunger Program that provides packed lunches to students across the district. Thank you for your support!

Quantity:

Orders placed online do not require a ticket.

Student should keep a list of customers who buy online in case they need to deliver these apples. Customers are also able to pick up at the school.

Buy either:

Bags for Donation
Or
Bags for Pick Up
(for the customer to eat)
