

September 2021

We are very excited to launch our annual, healthy, apple fundraising initiative. By partnering with River View Orchard, we can buy local, sell local and support local.

**Students are selling delicious 3 pound bags of McIntosh apples at \$6.00 per bag.**

**Customers may also purchase apples to donate.**

The donations go to the Community Kitchen and their Student Hunger Program.

**Apple Sales:** There are 2 ways for customers to buy apples.

1. Online: students sell to family and friends near and far. All orders are placed online by the customer, or the parent can place a group order. Customers do not need to have a child in the school to purchase online. There are no tickets- you track and record your own sales on a list at home.

You place your order by visiting our School Cash website.

<https://anglophonewest.schoolcashionline.com/>

Ex: Student sells 2 bags to parent and 2 bags to grandmother. Student collects \$ from grandmother. The parent would then log in to school cash online, purchase 4 bags. The \$ from grandmother would remain with parent to go toward the amount entered online.

2. Ticket: students sell apples, record sales on ticket. Leave claim ticket with customer. Return ticket and money to the school on designated collection days. Keep a list of customers so you know where to deliver the apples.

**Apple delivery/Pickup:**

Customers have 2 methods of getting their apples. Ask the customer which method they prefer.

1. The customer will pick up apples at George Street Middle School on October 7<sup>th</sup>.
2. The George Street parent will pick up the order and deliver them to the customer. Please note, students are not able to take home more than 2 bags of apples by themselves.

No pickup is necessary for donations. The school will deliver the donations.

**Collection Days:**

Monday, September 27  
Thursday, September 30  
Monday, October 4

**Payment method:**

Online – use credit card  
Tickets- cash or cheque (payable to George Street Middle School)

## Prizes – What do I win?

- Every day we will have **prize draws** for people who sell apples
- Top 10 sellers / grade will win **Skip the Dishes lunch from Taco Boyz**
- Classes which sell the equivalent of one bag/student will be eligible to **get out of school and visit the orchard**. Two classes will get to help bag apples and enjoy the corn maze.
- **Purple vs Gold Competition!!! Winning color will win a top-secret prize-** listen to the announcements for hints.

Sept 24<sup>th</sup> – First day of sales  
Oct 4<sup>th</sup> – Last day of campaign

## What to do?

- 1- Sell apples to friends and family
- 2- Keep a record of your customers
- 3- Confirm if you are delivering (your parent will pick up apples) or if the customer is picking up the apples on Oct 7. Let customer know date/time for pick up
- 4- Payment can be cash, cheque or online.  
<https://anglophonewest.schoolcashionline.com/>
- 5- Pick up day –Thursday, Oct 7<sup>th</sup> between 12-2 and 3:30-6 (if student has 1-2 bags, they may carry them home) – You do not need to pick up for donation

All funds raised from the sale of the apples will go toward initiatives that support students at George Street Middle School. This year we plan to purchase more technology and devices for students to use in the classroom. We also plan to purchase items for our Games Room which students use at options.

In previous years, we donated over \$1500 worth of apples and cash to the Community Kitchen. Our donation qualifies us to participate in the Community Kitchen Student Hunger Program that provides packed lunches to students across the district.

Thank you for your support!
