Tic-Tac-Toe Activities

Student Name:

Directions: Choose activities in a tic-tac-toe design. When you have completed the activities in a vertical or diagonal row, you may decide to be finished. Or you may decide to keep going and complete more activities. Star the activities you plan to complete. Mark through the box when you finish the activity.

<p>Think of 3 grocery items that you can buy with \$10.00. Look up the price of these items online to determine if you were correct. Here is the link to Walmart Groceries, but feel free to use any store you choose. Walmart Link</p> <p>Once you find the items, calculate how much they cost altogether (assume no tax).</p> <p>How much change will you receive if you pay with a 10 dollar bill?</p>	<p>Use Google to research an animal that you are interested in.</p> <p>Find 3 amazing facts about your animal.</p> <p>Create either a poster or a power point presentation to display your facts. Be sure to include pictures!</p>	<p>Draw a floor map to show the layout of your kitchen. Be sure to label each item in your kitchen and include as much detail as possible.</p> <p>It may be helpful to use grid paper if you have some available to you.</p>
<p>Explain the meaning of the following saying:</p> <p>Actions speak louder than words.</p> <p>Can you relate this saying to your everyday life? If so, give examples of when this applied to you.</p>	<p>GO FISH for 10 (addition math card game)</p> <p>Remove the Kings and Jacks (ace = 1, queen = 0).</p> <p>Each player gets 4 cards</p> <p>Play just like Go Fish, but instead of looking for matches, look for combinations of 10)</p>	<p>Write a letter to yourself that could be placed in a time capsule for others to read 10 years from now. Write about how you are feeling and what activities you are doing to keep yourself busy at home.</p>
<p>Create an advertisement to encourage people to practice social distancing. Remember to include a title, key information and a graphic/picture to grab the attention of your audience. Post this in your window.</p> <p>**This can be done on computer or on paper – your choice.</p>	<p>Use the weather channel or the news to keep track of the daily high temperature for Fredericton (or your town/village) for 5 days. Display the daily high temperature by creating a bar graph.</p> <p>If you would like to create your bar graph on a computer, feel free to do so. In Microsoft Word, you can simply select the INSERT tab on the top of the page and then select “Chart” to create your graph.</p>	<p>Draw a picture that includes the following shapes within it:</p> <ul style="list-style-type: none"> 1 circle 2 squares 3 rectangles 2 triangles 2 trapezoids 1 oval <p>*This can be done on paper or using a computer/tablet – your choice!</p>
