June, 2018

Dear Families of Children entering Kindergarten, Grade 1 and 2,

It's time to start thinking about getting ready for school next year!

For the last few years, instead of providing long lists of supplies for the parents to send to school, we have bought good quality school supplies for the children. We would like to offer this service once again so we are asking for \$40.00. All materials needed, including notebooks, markers, glue, pencils, craft items, etc. will be purchased with the \$40.00. Please contact us at the school (363-4703) if you have any questions or concerns.

You will need to provide these items for your child: a bookbag (big enough for paintings, picture books, duo-tangs, bulky crafts, etc.), a lunch box, an emergency set of clothes (T shirt, shorts/sweatpants, extra socks and underwear, labeled in a bag for "wet weather days"), and "non-marking" sneakers to wear inside the school. When buying sneakers, please get slip-on style or Velcro straps unless your child ties laces securely. **It is also important to label all your child's belongings.**

*We are also asking that everyone please send in one box of Kleenex, a box of large and small (sandwich size) zip lock baggies and a box of bandaids.

School fees can be paid when students return in September.

Sincerely,

K-2 Team
Mrs. Howland
Mrs. Crandall
Mrs. Boreland
Mrs. Bird O'Brien
