

Microsoft 365 - Student Login

Use Chrome  Edge  or Safari  and go to office.com

If you are using a shared / school device, use private / incognito browsing for security

Click sign in

Use your student email account info to log in.

Type carefully, and notice the domain
@nbss.nbed.nb.ca

this is the only domain that will work.

For your password, remember capitals matter and no spaces. If you're having trouble, type it into a word doc to see that it's correct, and then copy and paste it over.

You will use this same login for any mobile apps that you download onto your device.

Sign in

Office 365

Home - brings you back to this main screen

Create - begin a new document, page, spreadsheet, presentation...

Word - documents, essays

Excel - spreadsheets

PowerPoint - presentations / slideshows (try Sway for this as well)

Outlook - school email

OneDrive - cloud document storage

OneNote - virtual binder for storing notes and class assignments

SharePoint - collaboration platform for shared documents

Teams - virtual classes and conversations

All apps - only your most used will be on the sidebar, all others are here
