### Morning Announcements K-5- November

#### Winter Safety

**Did you know that winter is coming soon. Stay safe this winter by** Bundling up. Dress in layers to stay warm and dry. Your hat all the way down to your waterproof boots will help your stay warm during the cold winter months.

**Playing outside in the winter can be lots of fun. Stay safe this winter by** Wearing your safety gear. Make sure you wear your helmet when skiing, skating and sliding. Goggles, sun glasses and sun screen will also protect you in your winter activities.

**Stay safe this winter-**Ice and snow on the ground can make winter walking tricky. When it's slippery remember to walk like a penguin: go slowly, walk with arms by your side, point your feet out like a penguin and take short steps with your feet flat on the ground. Let's all be penguins this winter and stay safe.

Do you know that snow means lots of fun outdoor activities like building a snowman and making snow angels. Remember to drink lots of water before, during and after activities to keep your hydrated.

Winter is coming. Snowballs can be lots of fun to make when there is lots of snow. But snowballs can be hard and icy and can hurt someone. Remember to throw snowballs at a tree or build a snowman with the snowballs you make, you'll still have lots
