

Leo Hayes High School Diploma Presentation 2021

The following message is for all graduates of the LHHS Class of 2021 and their families. The last year has brought unprecedented change in our school system. The global pandemic has changed the way we need to work, be with family and friends, and how we celebrate. High school graduation is a milestone in the life of every student. This celebration has been a key school event for all of us for countless years, but unfortunately due to restrictions put in place by the provincial government we must make significant changes.

Leo Hayes High School is finalizing a plan to celebrate our Class of 2021. Please know that the final details are still being confirmed, but it is important to know that our graduation ceremony (individual diploma presentation) will take place June 23 and 24, 2021. It is also important to know that due to the global pandemic and restrictions placed by Public Health that some traditional graduation celebration events have been cancelled and will not take place this year; these include Graduation Dinner, Prom 2021 and Safe Grad 2021.

There will be a diploma presentation at Leo Hayes High School to honour our graduates. The diploma presentation will be very similar to last year's celebration. We are preparing plans for the Orange and Yellow Phases of Recovery depending on the provincial status in June. Due to the reduced costs associated with having a school-based diploma presentation the graduation fee will be \$50. Fees can be paid online through School Cash (link available on our school website). If you have already paid the \$120 previous graduation fee in full, a refund, of the difference (\$70), will be forthcoming. The details will be coming soon and please know we are doing our best to create an event that will celebrate the achievements of our graduates. We appreciate your patience. We look forward to celebrating the LHHS Class of 2021!
