**Discussion Items;**

1. Ga Ga Ball Pit Update – we have the large Ga Ga ball pit. The smaller one will be coming soon.
2. Fundraisers this year - \$5290
  - a. First Aid Kits - \$2400
  - b. Scott's Nursery - \$810
  - c. Mitchell's Soup - \$1060
  - d. JavaMoose - \$1020
3. Mabel's Labels – August/Sept – we can set this up so that it can be an on-going fundraiser.
4. Fundraising Schedule next year – As long as we aren't selling the same thing at the same time, then there is no need for a schedule. Keep doing what we are doing.

Have a BBQ the same night as the outdoor event to raise money in a different way. Could we ask the Independent Grocer for donations for food? Can we start a raffle using donations and then present the prize at the event?

Date for the event – June 8<sup>th</sup> (tentative date)

- BBQ - Hot dogs
  - Drink – water,
  - Yeti draw
  - Renting a bouncy castle for the older kids – is there any liability in having a bouncy castle?
  - Sarah has a smaller one for the kids
  - Dunk tank
5. Trees out front – they are getting cut down – except for the big one and the apple tree
  6. Garden – moving the garden over by the classroom

**Action Items:**

**Sarah – talk to Corey, set up a “prize” for the raffle, look into renting a bouncy castle**

**Adjournment: 5:34**
