

Club. The new handbooks for parents with children entering kindergarten are almost complete. There is \$200 left in the budget to spend.

Motion: That the Parent School Support Committee approves the school looking into the possibility to purchase a megaphone with the remaining budget funds. Moved by P. Brownell and seconded by L. Barr. **CARRIED**

Current Business: Best form of communication:

A parent communication survey has been drafted to gain feedback from parents on what is the best method for the school to communicate with parents on what is happening at the school. It will be sent to parents electronically. Paper copies will be available to those who would prefer to receive a paper version. The school will also look into the creation of a twitter account. Once the results have been collected, a report will be created to proceed to make decisions.

Motion: That the Parent School Support Committee approves the survey as drafted for release to the parents. Moved by S. Goodwin and seconded by K. Stiles.

New Business:

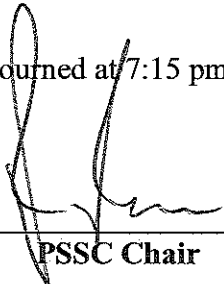

None
