

has been made to use it for large items only. The hot lunches did not work because the individual orders were not available. The program will be continued next year.

Current Business:

The staff will be brainstorming ideas for the enrichment project on April 17th, 2018. Ideas include getting t-shirts for the students in a specific colour related to their country of choice, showcasing food and other cultural items. Parents will be invited to attend. The sessions will be held a period of time each day in June.

New Business:

Discussed the PSSC committee sending a letter to facilities regarding the state of the parking lot. There have been complaints. The main concern are the buses, the children are being tossed around the bus as they enter the parking lot.
