During the RYLA program we aim to build a strong community and develop a safe and positive learning environment. In order to do this we ask you to review the following charter.

1. I will respect those around me and their property, the environment and event site during the RYLA program.
2. I will come to RYLA with a positive attitude and behaviour. I understand that I will be treated as a young adult and am expected to act accordingly. RYLA is an intense program and all aspects are important, so I will ensure that I attend all components of the RYLA program.
3. I will be responsible for my own personal safety and that of others.
4. I understand that drugs or alcohol are strictly NOT PERMITTED on the RYLA program. I am aware that if there is any suspicion of possession or use, I will be asked to leave the RYLA program/Youth Exchange Program immediately. This is a serious matter and will be dealt with accordingly.
5. I understand that RYLA is based around creating its own community, and distractions outside this can detract from my RYLA experience. Due to this I agree to suspend communication with those beyond the RYLA community for the duration of the program, including that via mobile, phones, iPads and laptops.
6. I understand that the Facilitators and RYLA Committee have been appointed to support me during my RYLA experience and have the authority to enforce the above guidelines.

I agree to commit to building a positive RYLA community and to abide by the above guidelines during my week at RYLA.

I give permission for Rotary to use any photographs or video taken of me, for the purpose of advertising or promotional material.
