

Nashwaak Valley School Mascot Design Contest

~ Students are invited to design an image of our school mascot - the black bear

~ Criteria:

~ All drawings must be done on 8.5 X 11" white paper

~ All submissions are due on Wednesday, October 4, 2017 at 11:45 at the office

~ The drawing of the bear should take up a large portion of the page (if it is the image that is chosen we want the details to be as clear as possible so that it can be replicated electronically).

~ No other drawings other than the bear should be on the page

~ The drawing should have colour

~ What you include for details in your bear should be reflective of our school (school motto, etc).

~ Student name or names if you are working in partners should be written neatly on the back of the page in pencil

You can find examples of school mascots from other elementary school websites to help give you ideas.
