

## Oromocto High School Graduation Celebrations 2020

The following message is for all graduates of the OHS Class of 2020 and their families. The last two months have brought unprecedented change in our school system. The global pandemic has changed the way we need to work, be with family and friends, and how we celebrate. High school graduation is a milestone in the life of every student. This celebration has been a key school event for all of us for countless years, but unfortunately due to restrictions put in place by the provincial government we must make significant changes.

Oromocto High School is finalizing a plan to celebrate our Class of 2020. Those plans are almost complete. Please know that the final details are still being confirmed, but it is important to know that our graduation celebration will take place over the week of June 15, 2020. It is also important to know that due to the global pandemic and restrictions placed by the Department of Health that some traditional graduation celebration events have been cancelled and will not take place this year. These include:

- Athletic Banquet
- Grad Banquet
- Prom 2020
- Safe Grad

There will be a graduation ceremony at Oromocto High School to honour our graduates; however, we must follow the social distancing guidelines and group size requirements put in place by the Department of Health. The details will be coming soon and please know we are doing our best to create an event that will celebrate the achievements of our graduates. We appreciate your patience during these unprecedented times. We look forward to celebrating the OHS Class of 2020!
